

HAPPY ANNIVERSARY
8/24/86

Cha Gioan Têrêsa Hiên,
Hồi mới gặp Cha thì biết Cha là một con người giỏi liền .

You are a beginner, but challenging .
You are an amateur, but exciting .
You are young, but ambitious .
You are a " baby ", but courageous .
When the other side chants " No Father Duong " and the new
pastor's future seems dim,
You were always on his side and stood by him .

Father Hien, you are our bright shining star,
Strengthening our faith, and leading us real far .
Since you came to Saint Maria Goretti,
You have done so many things for us already .
As our new father,
you brought everybody together .
Ever since there was a problem with the Vietnamese protesters
in the diocese,
You have been very enthusiastic with homilies .
You twist and shout
Making sure everyone hears your voice loud .
We are very proud to have you
to guide our spirit in the right direction .

May Saints John Therese bless you on this special day,
And may our Lord always be with you through your priesthood .
